Dear Parents,

Greetings from DAV Public School, Khera Khurd!

We have been making efforts to ensure that our students construct value-based knowledge through active interaction with their peers, teachers and environment. Our approach is process-oriented, child-centred, interactive and responsive to individual interest and need.

This year, the school has been conferred the 'Outstanding School Award' by the Tony Blair Face to Faith Organization for the dedicated hard work put in by students and the school faculty in the Face to Faith Program.

Vacations rejuvenate and refresh us, to work with greater vigour and vitality. During this period our children must make the best use of the leisure time and know how to utilize it. Amidst the pressure of day to day life, we hardly get time to spend with family and friends. Vacations provide us with an opportunity to strengthen the bonds with our family.

Good Habits and Good Manners are life-long assets. Children should be trained to practise them until they become a habit. They must understand the importance of the four magic words that are basics of good manners – *Please, Thank you, Excuse me and Sorry*. Let them make these four words a habit and see the difference.

Please note:

- **The summer vacation begins from 19th May 2013 and the school will re-open on 1st July 2013.**
