Proud recipient of  **BRITISH COUNCIL** International School Award
2012-2015

15th May 2012

Dear Parents,

Greetings from DAV Public School, Khera Khurd!

In these changing times, schools across the globe have realized the need for embedding internationalism into the curriculum, which would make this world truly borderless.

DAV Khera Khurd etched its name in glory in the ranks of the premier educational institutions of Delhi, by acquiring British Council accreditation under The International School Award programme.

The International School Award is an accreditation scheme of the British Council that recognizes and celebrates internationalism in schools. It provides a framework for schools to develop an Action Plan and implement international activities throughout the year. The Action Plan covers a wide range of subject-areas and age-groups and spreads over the entire academic year.

The ISA experience was full of challenges, excitements, and spontaneity. Our every effort was paid in oodles and **we won "The International School Award" by the British Council.**

The present session too will be filled with activities and events that will help our students to grow into confident, cheerful, critical thinkers with enhanced problem-solving and creative capabilities.

Summer Vacation is the time when children can explore their interests and tap their hidden talents. Please facilitate your ward to utilize his/her time creatively.

Please note:

- x **The summer vacations begin from 19th May 2012 and school will re-open on 2nd of July 2012.**
- x **The school office will remain open on all working days between 9 am. and 1:00 pm during the summer vacation.**
- x **Parent-Teacher Meeting shall be held on 19th May 2012 from 9 am to 12 noon. You are requested to attend this meeting to discuss the progress of your ward with the teachers.**

To ensure that the children have a constructive holiday, an interesting, activity -based holiday's homework has been designed that will keep the child active and observant. This work can easily be done by the children and you could assist only where required. It will indeed provide an enjoyable learning experience.

The holidays homework will be assessed as a part of Formative Assessment-2. The holiday homework may be downloaded from the school website- www.davpskk.weebly.com and from davpskk.pbworks.com.

Let us continue to work together and make your child's journey at DAV Khera Khurd a happy and memorable one! Your cooperation will enable us to make our young ones confident and happy DAVians. May our path be blessed!

With best wishes,

Principal

D.A.V. PUBLIC SCHOOL
SUMMAR BREAK, HOLIDAYS HOME WORK
CLASS- III

MATHS, SOCIAL SCIENCE, ENGLISH

Q1) Once there was a boy named Ravi. He lived with his family in Mumbai. They were 9 members in all. One day his grand parents named Yashoda and Bhajan called his 2 aunts Rajni and Lata, his father Hemant and his uncle Rajan. They made a plan to spend their adventurous holidays with their children in a jungle of Gujarat. In the jungle they saw 25 deers , 2 lions, 5 tigers, 16 squirrels, 10 bears and a large group of 120 elephants. There in the jungle his mother Asha and his sister Babita got lost. After a day's hunt they were found and went back their home happily.

Read the passage and answer the following questions:

- a) Where did Ravi live?
- b) How many members were there in Ravi's family ?
- c) Write the names of Ravi's mother and father.
- d) Which kind of family did Ravi have, joint or nuclear?
- e) Write the total number of animals they saw in the jungle?
- f) Write the number of animals in ascending order.
- g) Write the number of animals in descending order.
- h) Write the number names of all the animals with their names.
E.g: Squirrels,16 : Sixteen
- i) Find special names (Proper noun)
- j) Write all the names in Hindi also.
- k) Prepare a family tree of Ravi.

Q2) Make your own dictionary by jotting down 5 new words every day from Social Science, Science and English books. Write their meanings in Hindi and English both.

Q3) Make your phone directory with the phone numbers of the following places which are in your vicinity.

- | | |
|----------------------------|---------------------|
| a) Hospital (minimum 3) | |
| i) Reception | (ii) Doctor |
| b) Chemist | g) School |
| c) Post office | h) Bank |
| d) Fire Station | i) Police Station |
| e) Ambulance | j) Neighbours any 5 |
| f) Your relatives (any 10) | |

Q4) Make a model according to your Roll number

- a) Abacus (1 to 12)
- b) Clock (13 to 27)

Q5) Write the house numbers of your 5 neighbors and

- a) Add the smallest and largest number
- b) Find the difference between the smallest and largest numbers.
- c) Write the numbers in ascending order.
- d) Write the numbers in descending order.
- e) Write number names of all numbers.

GENERAL KNOWLEDGE

Q1. Make a list of all Indian states and their Capitals.

Q2. Make a list on " Famous Food or any famous building or monument for the following states.

- a.) J&K
- b.) Andhra Pradesh
- c.) Kerala
- d.) Gujarat
- e.) Maharashtra

Q3. Paste five useful leaves which are easily available from your surroundings, and write how they are useful.

(At least 2 points for each.)

(Do in note book)

Q4. Take a nature walks in a garden and observe the different types of plants, there leaves and aroma.

On the basis of your observation make a table to classify different plants. You may use the natural samples of the stem, leaves, and flower to show the natural samples. Two is done for you.

TREES	HERBS	SHRUBS	CLIMBERS	CREEPER
PEOPLE 	MINT 			

Also, collect the samples of these leaves, dry them and paste them in a scrap file. Put following leaves into ascending order with their original samples.

Banana, mint coriander, spinach, neem, people, money plant, basil, palm, rose, and mango

Q. Make a car using geometrical shapes with colorful sheets. Make a pie chart by filling the above information.

Shapes used	Number of shapes	Color of shapes
rectangle	4	orange

Answer the following:

1. How many parts did car have?
2. What are the types of fuel used to run car?
3. What type of pollution is created by cars?
4. Write five safety rules while driving a car.

COMPUTER

Q1. Make a chart on Input Devices. (Roll no 1-10)

Make a chart on Output Devices. (Roll no 11-20)

Make a chart on Memory Devices.(External or internal both)(Roll no 20 onwards)

1. ड, ङ, ढ, ठ वर्णों का प्रयोग करते हुए दस-दस शब्द लिखिए।
2. हिन्दी पाठ्य पुस्तक एवं हिन्दी व्याकरण (संज्ञा, सर्वनाम, विशेषण, पर्यायवाची आदि) में से किसी एक विषय पर चार्ट बनाइए।
3. 'हरियाली ही हमारा संदेश' पर संदेश देते हुए एक स्लोगन लिखकर उसे सुंदर तरीके से सजाइए।
4. भाषा माधुरी पाठ-3,4,5, के कठिन शब्द, शब्दार्थ, प्रश्न/उत्तर रिक्त स्थान लिखकर याद कीजिए।
5. पेड़ के चित्र बनाइए और उसके अलग-अलग- हिस्से करके प्रत्येक हिस्सा क्या-क्या काम करता है ?
6. कोई पाँच वस्तुएँ, स्थान, व्यक्ति के चित्र लगाकर फ्लैश कार्ड बनाइए और उन पर उनके नाम भी लिखिए।
7. घर में पड़ी व्यर्थ वस्तुओं का प्रयोग करके दोस्त/सहेली के जन्मदिन का बधाई कार्ड बनाइए।
8. 'श' और 'स' ध्वनियों वाले दस-दस शब्द लिखिए।
9. 'फ' और 'फ' वर्ण का प्रयोग करके दस-दस शब्द लिखिए।
10. बगीचे का एक सुंदर कोलॉज बनाइए जिसमें बच्चे, पक्षी घास, फव्वारा, वृक्ष आदि दिखाइए।

संपूर्ण कार्य अलग कॉपी में करे। कॉपी पर कवर करे और ग्रीष्मावकाश गृहकार्य के अंक आपकी परीक्षा में जुड़ेगे।

HOLIDAYS HOMEWORK

(Art & Craft)

CLASS-III

Create Pretty Flower Prints

Spring and summer are great times for watching the flowers bloom and spending time in the garden. In this activity, let your child take advantage of the sunny weather and tend to some flowers of her own with these simple yet pretty flower prints. Making flower prints is an activity that can be done both inside and out, and only requires some paper, paint, and of course, flowers!

What You Need:

- Flowers, real or fake
- Construction or drawing paper
- Water soluble non-toxic block printing ink (Tempera or acrylic paints may be substituted.)
- Tray for the ink such as a reused fruit or vegetable tray
- Brayer, spoon, or craft stick

What to Do:

1. Go outside and have your child look for and select a few different types of flowers or leaves for her project. Try to find a variety of shapes, sizes, and textures. You can make a print from most any flower. Find a use for dandelions, for instance, or even reuse old silk flowers to create incredible abstract art in a variety of patterns and colors.
2. Pour the printing ink into the tray. Spread the ink out with the brayer, spoon, or craft stick. Make sure that the ink is not spread too thin, as your child will be dipping the flowers into the printing ink.
3. Ask your child to dip and press a flower into the ink. Encourage her to choose for herself the part of the flower that's dipped in.
4. Have your child firmly press the flower onto the construction paper.
5. Remove the flower and repeat.
6. Invite your child to experiment with printing different parts of the flower and different types of plant life.

Add to the printing experience by choosing many different colors of ink or paint. This will help your child to further explore color and create unique patterns. You can also try adding some finishing touches by embellishing with glitter or by decorating the print with glued on dried flowers.

HOLIDAYS HOMEWORK

(Art & Craft) (Class - III)

Make an Impression with Bubble Wrap

This tactile seascape teaches children the basics of printmaking using bubble wrap. They'll create fish, sea creatures and coral to make their very own textured underwater world out of paint and oil pastels. This is a great follow up project for a trip to an aquarium.

What You Need:

- Sheets of bubble wrap
- A dark blue piece of construction paper (11" x 17")
- Scissors
- Paint trays
- Colorful tempera paint
- Newspaper
- Oil pastels
- Black marker

What You Do:

1. Have your child draw out different sea creatures on the flat side of the bubble wrap using permanent black marker. These creatures can include all kinds of fish as well as starfish, jellyfish, and seahorses.
2. Cut out the creatures with a pair of scissors.
3. Cover your table with newspaper, and set a few sheets of newspaper to the side.
4. Place the blue construction paper in front of your child. She can now dip a bubble wrap sea creature into paint, bubble side down. Have her test print on the newspaper to get the correct paint consistency, making sure it isn't too runny or too dry. She can continue dipping and stamping her sea creatures until her paper is full of fish. Allow paint to dry completely.
5. Use oil pastels to outline the bubble wrap creatures in different colors and add details such as eyes, fins, gills, coral, seaweed, bubbles and rocks.

Helpful Hints: This project tends to get messy. It is a good idea if you set newspaper down on the floor and table to avoid paint spills. Kids can also choose to use a large, soft paintbrush and paint the color onto the bubble wrap creature instead of dipping it into a paint tray.
