Proud recipient of  **BRITISH COUNCIL** | **International School Award 2012-2015**

15th May 2012

Dear Parents,

Greetings from DAV Public School, Khera Khurd!

In these changing times, schools across the globe have realized the need for embedding internationalism into the curriculum, which would make this world truly borderless.

DAV Khera Khurd etched its name in glory in the ranks of the premier educational institutions of Delhi, by acquiring British Council accreditation under The International School Award programme.

The International School Award is an accreditation scheme of the British Council that recognizes and celebrates internationalism in schools. It provides a framework for schools to develop an Action Plan and implement international activities throughout the year. The Action Plan covers a wide range of subject-areas and age-groups and spreads over the entire academic year.

The ISA experience was full of challenges, excitements, and spontaneity. Our every effort was paid in oodles and **we won "The International School Award" by the British Council.**

The present session too will be filled with activities and events that will help our students to grow into confident, cheerful, critical thinkers with enhanced problem-solving and creative capabilities.

Summer Vacation is the time when children can explore their interests and tap their hidden talents. Please facilitate your ward to utilize his/her time creatively.

Please note:

- x **The summer vacations begin from 19th May 2012 and school will re-open on 2nd of July 2012.**
- x **The school office will remain open on all working days between 9 am. and 1:00 pm during the summer vacation.**
- x **Parent-Teacher Meeting shall be held on 19th May 2012 from 9 am to 12 noon. You are requested to attend this meeting to discuss the progress of your ward with the teachers.**

To ensure that the children have a constructive holiday, an interesting, activity -based holiday's homework has been designed that will keep the child active and observant. This work can easily be done by the children and you could assist only where required. It will indeed provide an enjoyable learning experience.

The holidays homework will be assessed as a part of Formative Assessment-2. The holiday homework may be downloaded from the school website- www.davpskk.weebly.com and from davpskk.pbworks.com.

Let us continue to work together and make your child's journey at DAV Khera Khurd a happy and memorable one! Your cooperation will enable us to make our young ones confident and happy DAVians. May our path be blessed!

With best wishes,

Principal
